

Problem-Solution Fit

Date	3 July 2026
Team ID	XXXXXXX
Project Name	Emotion Support Engine
Maximum Marks	5 Marks

Problem-Solution Fit Canvas:

Use the framework below to ensure your proposed solution accurately addresses the root causes, behaviors, and limitations of your target audience. Fill out the canvas in the respective boxes just like the original visual template.

1. CUSTOMER SEGMENT(S) [CS] Students, young professionals, and individuals experiencing high levels of daily stress or anxiety who need a private outlet.	6. CUSTOMER LIMITATIONS EG. BUDGET, DEVICES [CL] Strict or zero budget for mental health services. Relies entirely on mobile phones or personal laptops for internet access.	5. AVAILABLE SOLUTIONS PROS & CONS [AS] Professional Therapy: (Pros) Expert help. (Cons) Too expensive, requires appointments. Journaling: (Pros) Free and private. (Cons) One-sided, no comforting feedback or active support.
--	---	--

**2. PROBLEMS / PAINS
+ ITS FREQUENCY [PR]**

Emotional burnout, late-night anxiety, and feelings of isolation.
Frequency: Daily or multiple times a week.

**9. PROBLEM ROOT /
CAUSE [RC]**

Heavy academic or workplace pressure.
Fear of judgment or burdening friends/family.
Lack of accessible, immediate support systems during after-hours.

**7. BEHAVIOR
+ ITS INTENSITY [BE]**

Bottling up emotions, avoiding social interactions, and late-night "doomscrolling" on social media.
Intensity: High (often disrupts sleep and daily focus).

**3. TRIGGERS TO ACT
[TR]**

A sudden spike in anxiety (like an upcoming exam or work deadline).
Feeling deeply overwhelmed or lonely late at night when others are asleep.
Experiencing a stressful event and urgently needing to vent.

**10. YOUR SOLUTION
[SL]**

The **Emotion Support Engine**: A 24/7, accessible, and completely private AI-powered web application. It uses generative AI to provide immediate, empathetic, and non-judgmental conversational support whenever the user needs it most

**8. CHANNELS OF
BEHAVIOR [CH]**

ONLINE

Searching for mental health resources, looking for distraction on social media, or browsing anonymous forums (like Reddit) to read about others' struggles.

**4. EMOTIONS
BEFORE / AFTER [EM]**

Before: Anxious, stressed, isolated, overwhelmed, and restless.
After: Calmer, validated, heard, and emotionally grounded.

OFFLINE

Isolating themselves in their room, traditional pen-and-paper journaling, or trying to sleep to avoid the feelings.
